The 1921 **Oak Leaves,** the first yearbook published at GB, brings back memories for Mrs. Ruth Creekmore.

1971 Causeway honors Mrs. Virginia M. Clemons

A more liberal dress code was on the agenda to be considered by the Chesapeake Public School Board. A meeting of students and the school board resulted in a compromise. The school board voted to have each school devise a dress code to meet its own individual needs.

At Great Bridge, a committee of students, faculty members, Mr. Blevins, and Mr. Calhoun established the new dress code. Through the cooperation and understanding of the school board, both students and administration came to an acceptable solution to a relevant problem.

Co-operation becomes key word in actions of the school board

School Board: Seated—Mr. F. J. Richardson, Vice-Chairman; Mrs. J. J. Booker, Chairman; Mr. H. J. Kidd. Standing—Mr. Herman A. Hall, Jr., Mr. Eugene P. Wadsworth, Mr. Jack W. Peoples, Dr. C. M. Moore.

Mrs. Virginia McAlhany Clemons was a faculty member at Great Bridge High School for eight years. During this time she served as teacher, chairman of the English department, and yearbook advisor. Although Mrs. Clemons is not a present member of the Great Bridge faculty, the yearbook staff feels that her diligence, both past and present, has, indeed, been an inspiration to them and was instrumental in making this year's annual possible. Because of her untiring efforts, the yearbook staff of Great Bridge High School proudly dedicates **The 1971 Causeway** to Mrs. Virginia McAlhany Clemons.

English Dept. starts using language skills

Innovation characterized both the Language Arts and the Foreign Language Departments at GBHS with the assignment of new department chairmen, Mr. R. Lanier Halterman and Mrs. Inez Root, respectively.

1970-71 introduced a variation in the reading curriculum, the Language Skills Program. Under the guidance of Mrs. Regis Crowley and Mrs. Elnora Hayslett, who were instrumental in its co-ordination, the new program became the answer to the plight of numerous language students.

Dramatics sparked under the new direction of Mrs. Teresa Lamberson. Drama students wrote, directed, and produced a variety of plays for interested English classes.

December 14—December 18 became Foreign Language Week. After hearing devotions and Christmas carols in either, French, German, Spanish, or English, the entire student body felt "quad-lingual."

Cahoon wins Young Educator's Award

Foreseeing a gross pollution problem, the Science Department, guided by Chairman Mrs. Shirley Cahoon, met this challenge by adding a new course, the Ecological Aspects of Environmental Pollution, to its curriculum. Harry Blevins, Bart Broadnax, Linda Furman, and Joan Petty, accompanied by Mr. Darden Vaughan, IPS teacher, represented Great Bridge High School at the Science, Math, and Engineering Symposium at the University of Virginia. GBHS received honors through Mrs. Shirley Cahoon, who was chosen by the Jaycee's of Chesapeake and the state of Virginia to receive the Outstanding Young Educator's Award.

Continuing its already established program, the Math Department, headed by Miss Elaine Griffin, broadened young minds for the challenge of this computerized age. Through Algebra I-A and B, Algebra I and II, Geometry, Advanced Algebra and Trigonometry, and Senior Math, the vast world of numbers and figures opened for analysis.

Many attend classes at technical center

Experience and opportunity confronted the student who involved himself with any of the fifteen fields in the vocational—technical curriculum. Also, on-the-job training offered in ICT, DE, and VOT classes offered interested students work experience before graduation. Study in the varied vocational—technical fields made available to Great Bridge students could turn out home economists, craftsmen, cosmetologists, nurses, mechanics, horticulturists, masons, electronic and refrigeration engineers, or carpenters.

World affairs class attended by seniors

Tradition embraced contemporary diversity in the Social Studies Department with the addition of the World Affairs class to the curriculum. This new approach to the study of social sciences entailed delving into the past and speculating the future to find potential solutions to present day problems in international affairs.

To further understanding of mankind in relation to his world, Humanities students explored the past and the present, the environment and the cultures, and even the complexities of the human mind. Aided by the great philosophers, they endeavored to study man in relation to art, music, and literature.

School sponsored trips proved to be enjoyable, as well as worthwhile, for government and psychology students.

Under the direction of department chairman Mrs. Ida McKinney, a detailed study of U.S. history combined with knowledge of the history and geography of the world provided the background necessary for relating to the contemporary world.

Students found a varied curriculum available to them. Modernistic approaches through the controlled reader, duplicating machines, offset machines, adding machines, and electric typewriters created office-like situations for necessary practice in contemporary business world trends.

Under Mrs. Helen Davenport, Chairman and COT and VOT teacher, the five teachers in this department "reached out" to prospective secretaries, accountants, typists, bookkeepers, stenographers, payroll clerks, office managers and college students.

Kiln lets students 'do their own thing'

Talent is an attribute but the students of the Fine Arts Department found that patience was a necessary virtue. Whether their particular field be music or art, the best was only achieved through concentration and hard work.

Music students broadened their horizons by adding new compositions to their repertoire and entertaining audiences throughout Tidewater. All-Regional participants numbered nine from the choruses and twenty-three, an all time high, from the band.

Students of art and ceramics used two important additions in art room equipment. A potter's wheel, which is used to shape clay, and a kiln in which the clay is baked, made the budding young potters' jobs easier.

A creative atmosphere helps Sandra Talent stimulate her artistic ability.

Hustling and bustling, young GB athletes perfected athletic skills necessary to earn the coveted Presidential Physical Fitness Award. Leadership classes continued under the direction of Mr. Bill O'Brien. Sophomore driver education classes, supplemented by in-car training, concluded a second successful year.

Gym classes stressed sportsmanship through class competition and class play-offs in wrestling, basketball, track, and gymnastics. Boys enjoyed weekly intra-murals in basketball, volleyball, and track, while the girls' intra-murals consisted of field hockey and field and track.

"Dress out, report to gym" is a habitual routine for Kathy Turner in Miss Pendleton's PE class.

Inferno! A red glowing atmosphere complimented red carpets; eerie candlelight permeated the room, and twelve devilish sophomore servers transformed the White Sands Dinner Club into a burning junior-senior prom.

Music by the Occasions invaded the Inferno, and the group's own "I'm a Girl Watcher" became the favorite tune.

The talent show, sponsored by the S.C.A., was held November 14. Although there were seventeen contestants, only first, second, and third place honors were acknowledged. Talents were judged on originality, as well as on excellence. First place winner, Dwight Wilson, "stole the show" and was followed in popularity by Soul Unlimited and Debbie Ragsdale, second and third place winners, respectively. All proceeds were used to sponsor dances and other S.C.A. activities.

Boy's chorus makes debut at G.B.H.S.

Under the new direction of Mrs. Roberta Harrell, the GB Choral Department added a new class—the Boy's Chorus—to its already established Concert Choir, Girls' Chorus, Mixed Chorus, Choralettes, and Show Group. All choruses participated in both the Christmas and spring concerts, performed for assembly programs, and made various appearances throughout the Tidewater area.

During the Yuletide season, melodious strains filled the air as the Concert Choir harmonized at the lighting of the Christmas tree at GB Shopping Center. Making television appearances, performing in area churches, and entertaining at the city SCA meeting, at FTA meetings, and for the district teachers' meetings kept the Choralettes busy.

In the spring, all choruses attended the city festival. Nine choral members making All-Regional Chorus highlighted the year.

Twenty-three make All-Regional Band

The most notable achievement of the 1970-71 band was also an honor to the entire school. Not only tops in the region but also setting a new school record, the Wildcat band placed twenty-three musicians in the All-Regional Band.

An essential contribution to the cultural program of GB was the music presented by the band in their winter and spring concerts. Band members obtained valuable experience while participating in outdoor concerts and parades, and taking periodic tours. During football season, head majorette Joan Hudson led the band through imaginative half-time shows executed to popular tunes to bring welcome relief from game tension.

Under the auspices of Mr. Robert Martin for the fifteenth year, the band climaxed its year by upholding its superior reputation in the annual district festival.

Don't touch a thing! Dont't touch a thing! I know where everything is! The newspaper editor's lament. Six times this year, members of **The Bridge** student staff composed, typed, pasted, edited, and marveled as Wildcats eagerly reached out to gain copies of the news. Frank Austin and Mr. Roy Alley manned the cameras; and special issues, containing six pages, gave seniors a much desired record of senior superlatives and their last will and testament.

Guard and Austin head magazine staff

It's here somewhere! I saw it just a minute ago! Look, look, look! Most of our time is spent looking! The wail of co-editors Lynne Guard and Frankie Austin to sponsor, Mr. Sanford Jarrell. Seven ambitious staff members spent many extra hours after school proofreading essays, short stories, poems, plays, and cross word puzzles which composed the two issues of the Bridgetown Scroll. Being a student publication, the school magazine inspired creativity from the entire student body.

Causeway receives Medalist Award again

Five groups of pictures didn't take! The photographer's out of town! Copy staff's gone blank! Layouts won't fit! Deadline's tomorrow! Pass the tranquilizers!

Can the Causeway staff ever get the yearbook published? Can and did! Four "old" members and a vibrant new sponsor led the team of sixteen through frustrating days and sleepless nights—when three hundred alphabetized pictures clattered to the floor, when some patrons just couldn't advertise this year, and when sixth period stretched into seventh, eighth and on into night class!

Reaching out to equal the Medalist Award won by the 1970 **Causeway** at Columbia Scholastic Press Association, the 1971 staff suffered, but survived, and presented to Great Bridge Wildcats an outstanding yearbook.

Forensics contestants participate in tournament

The 1970-71 Wildcat forensic team received numerous awards at Longwood College, as well as in the District Tournament. Starting the winning streak, Pam Cutler placed second in girls' prose competition at Longwood College. From then on the team was hard to stop! At the District Tournament, Joe Slane placed first in boys' original oratory while his female counterpart, Brenda Phillips, placed second in girls' original oratory. Peggy Pryor won second place for her selection in girls' poetry, and Bryan Eure received third place honors for his performance in boys' poetry.

Drama classes give a series of plays

Using the topic "that the Federal government should establish, finance, and administer programs to control air and/or water pollution in the United States," the debate team participated in numerous tournaments. Al Root, Arlene Nicholas, Chris Jackson, and Randy Story obtained valuable experience in tournaments at Indian River, Warwick, Norcum, Longwood College, and the district tournament at Old Dominion University. Student coach Randy Story instructed JV debaters David Layman, Mary Palmer, and Richard Jennings in technique procedures.

Dramatics students presented **Touch the Bluebird's Song** in the One-Act Play Festival sponsored by the Virginia High School League. **Up the Down Staircase** produced by the Class of '71 was a big success.

Assistants an aid to a busy administration

Neither rain nor hail nor sleet nor snow stopped Great Bridge assistants from completing their duties. Their numerous jobs amounted to hours of book work and miles of walking.

Sure-footed office assistants delivered those dreaded yellow slips. Whether they brought tidings of joy or woe, they were sure to get to the right person! Besides doing windsprints to carry urgent messages, other duties included everything from answering telephones, mimeographing tests, collecting absentee slips, and delivering multitudinous packages, to replenishing coffee cups for the "powers-that-be."

Books, book, and more books! "We'll never see the desk top again," thought the library assistants. Punctually, they were at work stamping books, locating overdue ones, shelving new additions, collecting money, and running errands. Their service was invaluable!

Students checking out library books require the assistance of Ellen Layman.

Queen Tabor reigns over homecoming

Traditional theme bowed to the now generation as homecoming embraced the idea "Do Your Own Thing." Capturing first place honors, the Junior ROTC'S "Leadership-Scholarship" floated through the limelight, followed by second place Doria's "Turn Back the Hands of Time," and third place VICA's "Through These Doors Lies Opportunity."

Sharon Braatz, Ann Harding, and Ginger Tabor, seniors vying for queen, awaited the breath-taking announcement—"And now, the 1970 Homecoming Queen—Miss Ginger Tabor." Reigning regally over the last half of the game and over the dance which followed, Ginger shared the spotlight with the two senior attendants, and with Mary Lou Tye and Sue Bishop, junior attendants.

"Doing your own thing" prevailed through the dance music of The New Direction. Alumni glimpsed the now generation reaching out to span then and now.

A beaming Ginger Tabor, 1970 Homecoming Queen, graciously accepts crown from Mr. Harry Blevins, principal.

Sharon Braatz and Ann Harding were elected Senior Attendants.

Cheerleaders win Spark Plug for pep

The Spark Plug symbolizes the 1970-71 cheerleading squad of Great Bridge High School. Full of pep and forever promoting school spirit, this year's squad consisted of eleven enthusiastic girls.

The squad attended Camp Farrah in Virginia Beach this year and brought home several ribbons, the Spirit Stick, and the coveted Spark Plug. The Spark Plug is awarded to the squad who is voted the friendliest and most spirited. Naturally, the GB cheerleaders rated number one in that category.

During football, basketball, and wrestling seasons, the cheerleaders are there with ready smiles and cheers of encouragement. Leading pep rallies, making spirit chains, and designing pep signs keep the squad busy. But they seem to be most successful in keeping GB's morale high.

Hinton, Spruill and Mamoudis elected tri - captains for Wildcats

Head coach Bill O'Brien contemplates his next plan for attack.

Dean Spruill and Chuck Mamoudis await the Cradock Admirals for the pre-game toss.

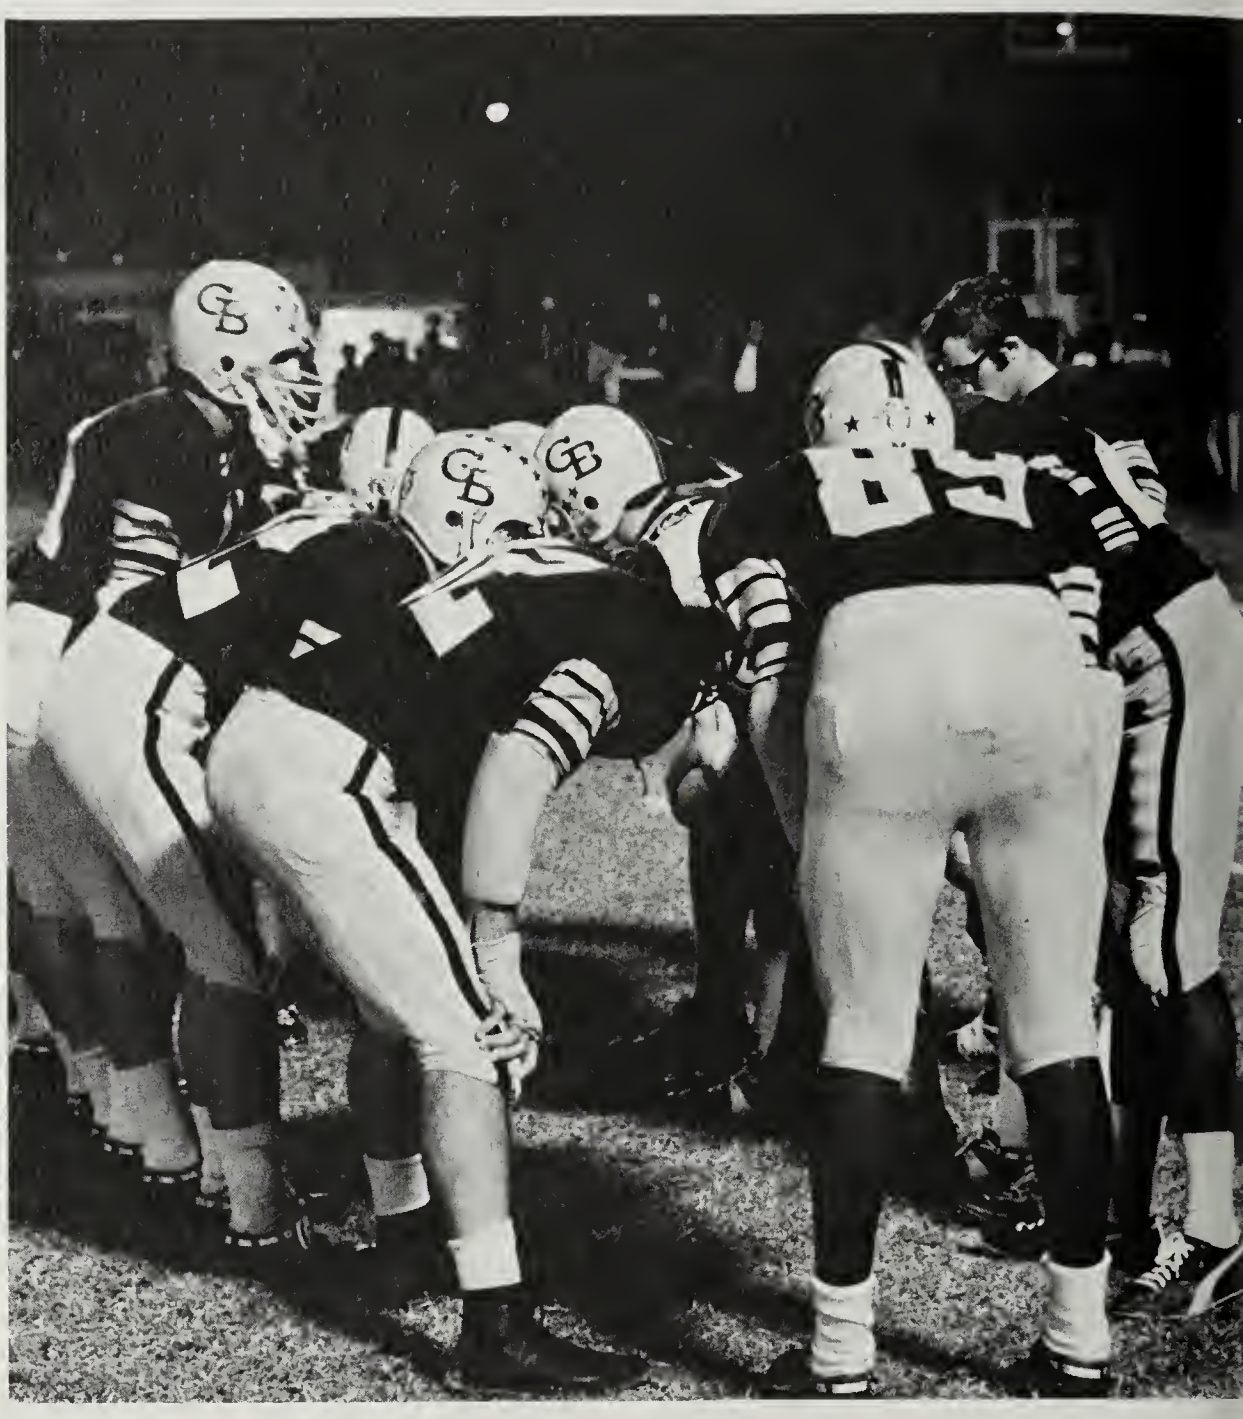
Hold everything, Mr. Calhoun. It's against the rules to hit the referee.

New Thanksgiving Day rival defeated

Though it was a tight game, the Cavaliers managed to slip through the 'Cats' defense in the final seconds of the game to make the score 12—7. Great Bridge held the upper hand for most of the game. The Wildcats' defense blunted PA's efforts to run out the clock late in the fourth quarter, and drove from the GB 38 to the Cavalier five on the strength of a 29-yard run by Lora Hinton and a 26-yard burst by quarterback Mickey Carey.

Great Bridge came through for the next game by smashing Cradock. With Dickie Carey, the freshman tailback, running for 100 yards and two touchdowns, beating the Admirals, 28-6, was an easy proposition. The victory was Great Bridge's sixth straight against Cradock.

The Wildcats rolled past Oscar Smith in a Southeastern District football game with a score of 20-6. Dickie Carey sent the 'Cats' into the lead on a three-yard smash into the endzone that capped a 58-yard drive. In the third quarter, Great Bridge marched 61 yards in 12 plays. A pass intercepted by John Jarvis set up GB's final touchdown in the last quarter.



Game strategy for the next play is planned in the huddle.

Team spirit reaches an all - time high

For the third game straight, Great Bridge smeared the Truckers with a score of 48-0. GB proceeded to roll up 315 yards rushing, 112 passing, and register points in every quarter.

The Wildcats tried out their fourth offensive system in five games against Crestwood; it worked for a 36-0 victory. The 'Cats used a power-I formation to roll up 271 yards in total offense, five touchdowns, and the defense added a safety.

In a close game, GB was defeated by the Wilson Presidents, 16-14. Wilson scored the first touchdown but the Wildcats tied the score with a 93-yard run by tailback Elwood Etheridge. In the third quarter, Dickie Carey broke through the line from three yards out to give GB a 14-8 lead. The key play was a 45-yard halfback pass by Wilson which provided the field position for its' winning plays.

Wildcats record 7 - 3

"Nothing's meaner than a wounded Wildcat" proved true as GB bounced back from defeat by Wilson to score an impressive victory over Deep Creek for the fifth win of the season.

Two unlucky breakdowns in the 'Cats' kicking game resulted in a 14-6 win for the Kellam Knights. GB quarterback Mickey Carey completed 16 passes for 195 yards, but managed only one touchdown.

The Big Green and Gold astonished Western Branch by bringing out a seldom used single wing attack to win 49-12. The 'Cats rolled up 508 total yards, piling up 30 points in the second period, and breezing to a 43-6 halftime command. Quarterback Mickey Carey, who became the tailback in the new attack, scored twice and hit Chuck Mamoudis on a 41-yard TD toss.

To top off their season, GB trounced the Braves 15-6 on Thanksgiving Day. The Wildcat victory finished the two teams' seasons with identical 7-3 records, but the Braves have never beaten Great Bridge.

This season boosted O'Brien's career mark to 120 victories against 32 loses and nine ties. The Great Bridge Wildcats are considered to be the winningest Class AAA team in the area over the past decade.

Wildcats finish with a 10-8 season

Although a very young team, the Great Bridge Wildcats in '70-71 went on to gain a convincing record of 10-8. Led by Coach Martin Oliver and Captain Barry Kingery, the Wildcats left crushing blows to their first five opponents. Later, after suffering a defeat to Norcom, they came back to win over Indian River, Crestwood, Churchland, Princess Anne, and Cox.

Averaging 65.7 points per game, the team shot 40% of their field goals. Joey O'Brien completed 79% free throws while Barry Kingery completed 52% field goals. Leading scorers were Joey O'Brien with 21.6 points per game and John Jarvis with 18.4. John Jarvis also excelled with 211 total rebounds.

Dean Spruill first G.B. state champion

After several seasons of being on the bottom of the wrestling pyramid, Great Bridge broke even with a commendable 6-6-1 record.

The Wildcats had high hopes of Senior Dean Spruill, with a personal record of 16 and 1, winning the State Championship. Freshman Bill Beasley won the District Championship at the 98 pound class, junior Meredith Corprew won the title at 112, with the talented sophomore Ricky Spruill losing in a tough overtime match at 115. Other team members who placed were Mike Betterton, 105, fifth; Bill Parker, 138, fourth; "Bo" Moritz, 119, fourth; and Troy Anchors, 167, fifth.

This showing placed the Wildcat grapplers fourth in the district, only a few points behind third place Deep Creek.

O'Bannon excels in cross - country track

Indoor, spring, cross-country—take your choice—track teams chalked up honors as teams and individuals raced to success. Determination characterized the 1970 indoor track team, but to no avail. One runner, Rickie Sykes, did distinguish himself in this area.

Cross-country participated in nine dual track meets and finished with a record of three wins and six losses. Stanley O'Bannon, GB's number one runner, secured first place in six of the nine meets, placing in the top ten at both city and district meets.

Spring track of 1970 concluded with one win and six losses. Rickie Sykes set a new city record in the 880 and placed fourth in the city meet. Wildcats scored again!

The baseball season began on a wrong note. Rain greeted the mighty Wildcats at their opening game. But despite opposing factors, the Wildcats, led by Captain Paul Old, ended their season with a district record of 3 and 6 and an over-all record of 6 and 7.

Mickey Carey batted an average of .315 while Kenny Stuart batted .320 and pitched a winning season of 5 and 2. Sophomore Mickey Carey represented GBHS on the All Southeastern District Team, an honor for both the team and the school.

Ann Simmons heads Student Council

The Student Council, headed by Ann Simmons and sponsored by Mrs. Shirley Cahoon, provided the school, as well as the community, with a number of invaluable services. Due to the combined efforts of the SCA and an understanding administration, the school dress code was modified. Girls were able to wear stylish pant suits to classes.

Continuing projects from preceding years, the SCA once again sold pep ribbons, treated deserving honor roll students to coke and doughnut parties, and directed a talent and variety show.

The SCA sponsored a Christmas drive for the eight families which they adopted. An interested student body contributed food, toys, clothing, and furniture, in addition to three hundred and fifty dollars, for these families.

Miss Elizabeth Lee and Mr. Frank Brothers, DE teachers and club-sponsors, emphasized the purpose of the club. Through co-ordinated work-study programs, DECA members learned about the business world. Projects ranged from raffling a turkey to collecting food and clothing for the Christmas drive. Utilizing acquired knowledge, talented club members decorated hall bulletin boards and display cases. Participation and attendance at district contests and the state convention in Richmond, Virginia, provided DECA representatives with additional insight into future occupations. Vivacious Future Teachers of America, guided by co-sponsors Mrs. F.J. Rutledge and Miss Ethel Whitfield, and Beth Kowalsky, president, "reached out" in numerous directions during 1970-71. Obtaining thirty-four new members, the FTA rendered services to the school by selling pom-pons for both the homecoming and Thanksgiving Day football games. Acknowledging American Education Week, members made posters and book markers for the teachers. Sponsoring covered dish suppers, stimulating teacher training programs, participating in the SCA Christmas drive, and remembering those at the Detention Home constituted worth while FTA projects. Members visited the Chesapeake Education Association, participated in Leadership Workships, and sent representatives to the state convention in Roanoke. Thespian Society gives one act play

1970-71 found the Great Bridge Thespian Society headed by a new advisor, Mrs. Teresa Lamberson, who also taught dramatics. The Thespian Society, composed mainly of students of dramatics, welcomed other interested students. The troupe formed the core of all theatrical oriented activities at the school. One of the club's most important contributions for many years was its work in producing, as well as raising the money to finance the Senior Play. Officers Linda Smith, Donna Brown, and Marcia Daley ably assisted Dean Spruill, president of the society.

Pep Club leads school support of Wildcats

Vim . . . vigor . . . vitality . . . the Pep Club in action. President Gail McLean led the club through a second highly successful year. Dressing uniformly in green and gold, the club designated a particular section in the stadium and gymnasium for members to sit during football and basketball games. The Pep Club engaged in a cheer exchange with the Cheerleaders and helped decorate the stadium for home football games. For the Thanksgiving game versus Indian River, the club sold links to construct the "spirit chain." The Pep Club truly promoted school spirit and supported the mighty Wildcats!

Team spirited fans anxiously wait for the Wildcats to score.

Junior Civitan Club gains new advisor

Junior Civitan . . . service . . . are synonymous. Directed by a new sponsor, Mr. T.J. Fulcher, this club strived to improve both the school and the community. Water gushed and soap suds flew as Junior Civitan members "cleaned-up" the cars of the Chesapeake police force. To insure their financial status, the members boxed popcorn and popcorn and more popcorn to be sold during home football games. Once again, the club presented pom-poms to the varsity cheerleaders. The untiring efforts of its members enabled the club to sponsor a child at Christmas and to send a large part of its treasury to Camp Civitan.

The Junior Civitan served the community by washing Chesapeake police cars.

Key Club sponsors holiday film festival

The Key Club, guided by President Woody Koonce and Mr. Ronnie Lee, sponsor, "reached out" to both school and community through many invaluable services this year. Club members acted as ushers for football games and sold popcorn to hungry Wildcat fans. The club conducted a clean-up campaign to help beautify the grounds of GBHS. A Film Festival conducted during December provided a two hundred dollar scholarship and Christmas for a needy family. Possessing much brawn, Key Club members helped transfer books from the old library in Great Bridge to the new one. Distributing records of "The Star Spangled Banner" and American flag posters to elementary schools in the area constituted other Key Club projects. John Sykes and Woody Koonce distinguished the club by being elected lieutenant governor and secretary-historian, respectively, of the local division of the Capital District.

G.B. decals sold by Monogram Club

Promoting the image of the athlete constituted the major purpose of the Monogram Club. Members were required to have excelled and lettered in at least one sport. Proudly worn Monogram Club jackets readily distinguished club members. During the hustle and bustle of Friday night football games, the club increased its treasury by selling decals and cushions to Wildcat fans. Soft drinks sold by members refreshed many basketball fans suffering from a temporary loss of voice due to excessive cheering. A variety of activities ranging from pizza dinners to beach parties offered a social aspect for the club. Led by President Barry Kingery and Mr. Martin Oliver, sponsor, the Monogram Club accredited deserving young athletes in football, basketball, wrestling, tennis, or track.

French Club sings carols at rest home

Sparked by a new sponsor, Mademoiselle Mary L. Mapp, and President Denise Eckleberry, approximately fifty enthusiastic members of Le Circle de Francais eagerly studied the cultures of French speaking countries and avidly increased their conversational ability. To stabilize the club's financial status, members scrubbed numerous cars and sold coffee in the women teachers' lounge. Continuing a practice initiated in preceding years, the club kept the French class labs squeaky clean. Le Circle de Francais contributed miscellaneous items to the SCA Christmas drive.

Club initiation - a "thing" to remember

Girls with food-colored-streaked-hair, lots of jewelry, and hose rolled to the knee, and boys bedecked with pocketbooks and pants rolled to the knee described the initiation of new German Club members. Under the direction of new sponsor Herr Walter Knorr, all members worked diligently on "A German Celebration," the club's entry in the homecoming parade of floats. Money making projects, such as car washes, enabled club members to have a Christmas party with German food and a hayride in the spring.

First year German Club members find they still need an English translation for German magazine.

Mrs. Inez Root new club sponsor

El Circulo de Espanol, under the supervision of Mrs. Inez Root, had one major objective, the promotion of Spanish. Films, slides, and lectures on Spanish speaking countries enlivened club meetings. But this was not all. The Spanish Club tried to promote their club in the school as well as among its own members. Christmas carols sung in Spanish by members echoed through the halls of GBHS to usher in the Yuletide season. The club also served the Spanish classes by cleaning the language labs.

Delma holds bake sale to finance its projects

President Bruee Ann Griffin led the Delma Tri-Hi-Y through its host of activities during 1970-71. Co-sponsored by Mrs. Margaret Stokes and Mrs. Nellie Watson, the club's service projects ranged from helping to beautify the school grounds, to collecting tickets at the Powder Puff game, to contributing to a family's Christmas. Efforts to increase the club's treasury found Delma girls selling dish cloths and baked goods, in addition to selling mints for the local YMCA.

A spirited homecoming crowd soared through outer space with the Delma float, "Homecoming on Venus." Attending church services each month, a project continued throughout the year and ensuing from preceding years, helped the Delma emphasize a vital aspect of the Tri-Hi-Y.

Delta plays in annual Powder Puff game

Service to both school and community was a major principle of the Delta Tri-Hi-Y during 1970-71. Led by Chris Matter, president, and Miss Judy Rice, sponsor, meticulously clean trophy cases brightened the halls of GBHS. Encountering Dorcas at Colon Hall Stadium in the Powder Puff, Delta finally acknowledged the 0-0 tie game. Community children squealed with delight as the club sponsored its annual Easter egg hunt. Students and community patrons alike "rocked" with a second "Battle of the Bands," which ended a highly successful year.

And now, ladies and gentlemen, the moment you've been waiting for . . . Miss Great Bridge High School of 1970 is . . . The Dorcas Tri-Hi-Y successfully sponsored another pageant. Marie Holton, president, and Mrs. F.J. Rutledge, sponsor, guided the club in various activities. Car washes, bake sales, and a key ring sale secured the club's treasury. Participating in the Powder Puff, Dorcas finally conceded a tie game with Delta. Club members collected newspapers, bottles, and cans to help various civic organizations in their "anti-litter" campaign. The combined efforts of club members culminated in Dorcas being awarded the cherished Ace Award—its fifth—at MGA.

"Turn Back the Hands of Time," the theme of the homecoming float, captured second place honors. The Doria Dolls donated to UNICEF via the Clark Gum Company, collected magazines for the girls at Great Bridge Detention Home, and for the second year, adopted a grandmother at Guardian Care Nursing Home. All activities combined granted Doria the coveted Ace Award at MGA for services rendered.

Inter-Club Council promotes good will

The Inter-Club Council, led by Lora Hinton SCA Vice President, promoted the growth of co-operation between clubs. Actually an "arm" of the SCA, the ICC sponsored projects supported by all clubs. The ICC held a Leadership Clinic on December 1, 1970, for the purpose of gaining more knowledge about parliamentary procedure. Club officers and interested members who attended deemed this activity as being most rewarding. Clubs also supported the ICC by volunteering to help move books from the old library in Great Bridge to the new one. But of all projects initiated by the ICC, the most fullfilling one was the adoption of eight families at Christmas. Club co-operation made this "act of giving" possible.

Carol-

I guess this is sort of appropriate since you & I (not together) have added so much life to this ~~sorry, wrong word~~ community. Remember the talks we had about Cindy Rice in 3rd bell. She's a winner (right on!) Well, maybe you can keep you-know-who away from her. But I doubt it! Good luck - you'll need it Maybe I'll see you next year at Westhampton I'd better. Keep up the good work. and I'll sign off now before I get obscene.

Be good & have fun (if the two don't go together for you, just have fun & raise Hell)

Love ya
Terri

Come see the making of power

Vepco's first commercial atomic power station is now under construction in Surry County, Virginia. In the new Information Center overlooking the site, you will see an excellent slide presentation, fascinating exhibits, and a working model of the reactor. (And from the balcony, you can watch them assemble the real thing.) Open 10 AM to 4 PM Monday through Saturday and 1 PM to 6 PM on Sunday. For tour information call 771-3194 in Richmond.

Carol,

It doesn't seem possible that it's been 4 years since we first started corrupting each other. It's been really fantastic, though. I almost sorta wish that they weren't almost over! But I guess if they weren't over, you wouldn't have Lynn and I wouldn't have Marshall. Maybe we just didn't know when we were better off!! This summer we're really gonna have a ~~blast~~!! In the immortal words of my ~~bestest~~ friend!! . . . "No matter how much you love someone, don't ever give in." (Don't ask how that fits in, but I just love her so much I can't help it!)

Love ya,
Debbie

it. Thanks for all the cat tips,
when they get old enough I'll draft
them by your house. I've already
old. I fed 'em fertilizer

Carol,
Well the time has finally come. May you have all the happiness that life has to offer. Don't forget some of the times we had when we was in chorus. Both good and bad. (with mitzi) some of those Charolette times were really great. Take care and good luck in college. DT '76
Best of luck with that special someone

Carol,
It has been a really wild year, but now it is almost over. Have a great time next year and don't drink as much as I plan to do.

Caroline '71

In a spot in old Virginia . . .
The year draws close to an end
. . . Fifty years of graduations . . .
Learning . . . Understanding.
But time moves on . . .
New faces . . . New students . . . New teachers
. . . All searching for an identity . . .
All becoming part of the whole
. . . All part of Great Bridge High . . .
Our noble Alma Mater . . . whom we love so true.
Students leave the security of youth
For the uncertainty of adult life
. . . Listening to a new sound . . .
Hear the anthem . . . hear it calling.
Memories stored from
Friends . . . School . . . Home . . .
Decisions made . . . Goals maintained.
A new era begins where the old one ends.
Everyone REACHING OUT to life . . .
Hail to thee, oh Great Bridge High School!

Carol,
It's too late for me to say what I want to say - I should've said a year ago. I think you're happier now - and if you are, then I am too. So I'll just say this - I think you're a really great girl, and I'll always remember the times we had together. Thanks for everything.
Love,
Tom
